Pot of our delicious “wake-me-up” filter coffee

We have searched long and hard to find a coffee that is just right: not too strong, not too weak, just lovely and velvety. But don't just take our word for it!

Pot of our proper loose leaf tea, blended right here in the UK

We have 5 tasty varieties available for you to choose from. Go on, spoil yourself with something good and proper, you are so worth it!

1. English Breakfast Loose Leaf Tea

A wonderful blend of large, hand-picked Indian Assam and Sri Lankan Ceylon. Simply delicious!

2. Earl Grey Loose Leaf Tea

A light and fruity Ceylon with some added Bergamot. Enjoy black, with a slice of lemon, or with milk. Either way, you won't be disappointed!

3. Moroccan Mint Loose Leaf Tea

Large, hand-rolled leaves and a good dash of peppermint. Fresh, clean and minty. This tea will put a spring in your step!

4. Fruit Punch Loose Leaf Tea

The magic combination of citrus, berry and hibiscus spice contains whole chunks of fruit. We say it is fruity perfection. What say you?

5. Green Loose Leaf Tea

A little something different! Yunnan tea leaves are smooth and a bit grassy. This is a perfect introductory (and super healthy) green tea!
